

# About Michele

Michele Scott's trademark humor combined with her extensive quilting knowledge and eye for color and design make any of her workshops or lectures well worth attending. Michele teaches positive, upbeat classes full of solid techniques to give all levels of quilters new confidence. For the past 20 years, she has taught at quilt guilds and shows across the United States and Canada. Michele's quilt designs, articles and blogs can be found in a variety of major publications, including AQS's American Quilter, McCall's Quilting and Quick Quilts, Quilter's Home, Designer's Quarters and Fons and Porter – over 100 in all! But by far, her greatest passion is designing fabrics for Northcott Silk. Michele's book, **Bobbin' Quiltin' and Fusin' Fun** was debuted by AQS. Additionally, Michele paired up with Aurifil Threads to create multiple lines of machine quilting threads.
